

BRAZILIAN RICE MILLERS ARE IN CANADA

BRAZILIAN RICE

A couple of the largest rice millers in Brazil are going to be in the SIAL Canada 2019 showing the best of long grain rice quality in the Americas

The Brazilian Rice project will take part in an important event of the food and beverage industry in Canada, with the participation of two Brazilian rice companies. Brazilian Rice project is an initiative of the Brazilian Rice Industry Association (Abiarroz) and of the Brazilian Trade and Investment Promotion Agency (Apex-Brasil) aiming at increasing the exports of the cereal produced in Brazil.

This is the first time the Brazilian Rice project is a part of SIAL Canada. Companies Guacira Alimentos and Camil are two of the largest rice exporters out of Brazil with consolidated customers among US and Canada. Its rice quality is sensitive, specially on parboiled rice with has great cooking properties. Visit them on booth 418/419.
