

CANCHAM Madagascar

April 5th 2019

Madagascar will be represented by 9 companies at SIAL Toronto
2019

The Canadian Chamber of Commerce and Cooperation in Madagascar is organizing a trade mission during which Malagasy companies will partake to SIAL Toronto 2019

The Canadian Chamber of Commerce and Cooperation in Madagascar is organizing a trade mission in Canada from April 24th to May 3rd 2019. The trade mission will visit Montréal and Toronto.

During this North American trip, nine (09) Malagasy companies will partake to SIAL Toronto 2019 under the Madagascar Pavillion. These agribusiness companies produce and export vanilla, couee, cocoa, essential oils, dried fruits, grains, spices and avocado oil. This is an exciting opportunity for Canadian buyers to find and do business with new ingredient providers from Madagascar.

The CanCham representatives will be present to assist prospective investors looking to develop new agribusiness ventures and investments in Madagascar.

The participation to SIAL is part of the project entitled "Facilitating Sustainable and Inclusive Economic and Trade Exchanges between Madagascar and Canada". The objective of this project is to facilitate business relations between Canadian buyers and Malagasy export companies. The project is supported by the European Union through its project PROCOM, and the World Bank through its project PIC 2. Other partners of the trade mission are the Economic Development Board of Madagascar, the Madagascar Embassy in Canada.

You are invited to visit the Madagascar Pavilion at booth number 255 during SIAL in Toronto from April 30 to May 3, 2019. For any inquiry, please contact the Canadian Chamber of Commerce and Cooperation in Madagascar: info@cancham.mg

The Canadian Chamber of Commerce and Cooperation in Madagascar a.k.a CanCham Madagascar is based in Antananarivo, the capital of Madagascar. This non-for-profit organization was established to promote trade and cooperation between organizations from Canada and Madagascar.
