

Manyan Inc. celebrating 100 years!

Manyan Inc.

Manyan is one of the largest manufacturers and distributors of Woven PP, Paper-Poly, BOPP and Bulk Bags in North America. Since 1918, we've earned a reputation for putting our clients first and making their satisfaction our top priority. Our clients receive an unparalleled level of attention and quality thanks to our dedicated, experienced and knowledgeable staff who always go the extra mile. Our uncanny ability to develop long-term relationships with our clients exists because we think of your business as our own business.

Whatever your business or budget, Manyan will find an ideal solution for your packaging needs. From basic woven polypropylene, paper-poly and BOPP, to the very latest in state-of-the-art bulk bag (FIBC) technology, we will custom-tailor a program for you with the utmost attention to detail, efficiency and care.

We offer a host of services for a wide range of industries. From meticulous in-house manufacturing to a vast array of shipping options, conscientious inventory management to custom bag development, in-house printing and graphic design to off-site stocking programs, from rigorous quality control and testing to numerous certifications, Manyan has a solution to meet your needs and budget.

That's the Manyan difference. It's in the bag!
