

Pemberton & Associates Inc. - Who Are We?

Pemberton & Associates is dedicated to bringing the latest technology to the Canadian Food Processing Industry.

For everything provided to the Canadian food processing industry...the one element that brings everything together. At Pembertons...we do not just sell equipment - we provide solutions!

Whether you are in convenience food, portion control, baking, dairy, fish, meat, poultry or specialty processing you can depend on Pembertons for the finest equipment and support.

Think globally, act locally - Pembertons brings the latest technologies to Canadian food processors by providing equipment, spare parts, consumables and second-to-none technical support.

Technical Assistance 24 hours per day, 7 days a week.

At Pembertons, we know that breakdowns do not always happen during regular working hours. For technical assistance after hours, call our emergency service number at 1-888-736-7782.

In business since 1930 - a solid business partner you can rely on.
